

WINDSOR 2035

BUILDING OUR FUTURE TOGETHER

Attend the 2nd Public Workshop!

Be Part of Shaping Windsor's Future!

Thursday, October 2, 2025

5:30 - Open House- stop in,
review the goals and talk to
members of the Project Team

6:30 - 8:30 PM - Workshop

Windsor Town Hall
275 Broad Street
Windsor, CT 06095

At this workshop, the Project Team will:

- Share results from recent community engagement
- Present draft goals and strategies for the Plan
- Lead an interactive discussion to gather YOUR feedback on the recommendations

What is Windsor 2035?

Windsor 2035 is the Town's Plan of Conservation and Development, or Comprehensive Plan. It helps guide future growth and resource preservation and shapes decisions on land use, housing, economic development, transportation, sustainability, and more.

The Comprehensive Plan is:

- A vision document that guides the Town in making policy decisions.
- Referenced by boards and commissions in considering applications.
- A source of information on trends, statistics, and current conditions in the Town.
- Required by Connecticut General Statutes to be updated at least once every ten years.
- A requirement for State funding that can be used to help secure grants.

Visit the Plan website to learn more and stay involved:
